

MSC - FISHERY CERTIFICATE

Certificate No.:
F-DNV-112588

Initial date:
9 March 2018

Valid until:
8 March 2023

This is to certify that the Fishery operations of

Norges Fiskarlag

Pir-senteret, 7462 Trondheim, Norway

has been found to comply with the requirements of

MARINE STEWARDSHIP COUNCIL 's (MSC) Principles and Criteria for Sustainable Fishing, version 2.0

The certified fishery has the right to claim the fishery is a "Well Managed and Sustainable Fishery", in accordance with the MSC's Principles and Criteria for Sustainable Fishing. Further claims made about the fishery shall be in accordance with rules established by MSC.

This certificate is valid for the following fishery:
Norway North East Arctic cold water prawn fishery.

The certificate could be used by all fishing operators targeting cold water prawn (*Pandalus borealis*) in the ICES Divisions I and II (Barents Sea and Svalbard) using bottom trawl as harvesting method and operating under shrimp quota issued by authorities of Norway.

This certificate extends to the first point of landing and sale. MSC Chain of Custody certification will commence following sale of raw or boiled *Pandalus borealis* products at the points of landing. Products may be sold through auctions arranged by the sale organisations or directly. The sale may take place directly after landing or after storage at the cold store. On-land activities including auctions and cold storages are included in the certificate. Chain of custody shall begin following the first sale of the catch.

For detailed information on scope and CoC start refer to the Public Certification Report available for download at MSC webs ite:
<http://www.msc.org/track-a-fishery/certified>
All changes made to this certificate will be made available for the download at: <http://www.msc.org/track-a-fishery/certified>

Place and date:
Høvik, 27 January 2018

For the Accredited Unit:
DNV GL Business Assurance Norway AS

D. P. Koek
Management Representative

Norges Fiskarlag is authorized to provide fish and fish products that are eligible to carry the MSC Logo. Any changes in the product or process shall immediately be reported to DNV GL in order to verify whether this Certificate remains. Lack of fulfilment of conditions as set out in the Appendix may render this Certificate invalid.
