

# MSC - FISHERY CERTIFICATE

Certificate No.:  
MSC-F-31247

Initial date:  
14 June 2016

Valid until:  
14 June 2016 to 13 June 2021

This is to certify that the Fishery operations of

## Norway Skagerrak and the Norwegian Deep cold water prawn fishery

Client: Norges Fiskarlag  
Address: Pir-senteret, 7010 TRONDHEIM, Norway

has been found to comply with the requirements of  
**MSC Fishery Standard - Principles and Criteria for  
Sustainable Fishing v1.3**

The certified fishery has the right to claim the fishery is a "Well Managed and Sustainable Fishery", in accordance with the MSC's Principles and Criteria for Sustainable Fishing. Further claims made about the fishery shall be in accordance with rules established by MSC.

This certificate is valid for the following Scope:

Northern shrimp (*Pandalus borealis*) targeted in ICES Divisions IIIa West and IVa East (Skagerrak and Norwegian Deep) in Norwegian and EU waters, using bottom trawl as harvest method.

*Pandalus borealis* products landed by Norwegian vessels having a licence from the Norwegian authorities and originating from Norway Skagerrak and the Norwegian Deep cold-water prawn fishery conducted by bottom trawlers in ICES divisions IIIa West and IVa East, and operating under shrimp quota issued by authorities in Norway are eligible to enter Chain of Custody and carry MSC logo.

MSC Chain of Custody certification will commence following sale of raw or boiled *Pandalus borealis* products at the points of landing. All further activities from this point will be subject to Chain of Custody certification in accordance with the MSC Certification Requirements.

For detailed scope refer to the Public Certification Report available for download at MSC website: <http://www.msc.org/track-a-fishery/certified>.

Place and date:  
Høvik, 17 March 2020
