

MSC - FISHERY CERTIFICATE

Certificate No.: MSC-F-31335

Initial date:
06 October 2017Valid until:
06 October 2017 - 05 October 2022

This is to certify that the Fishery operations of

NFA Norway ling & tusk and NFA Norway lumpfish fishery

Client: Norges Fiskarlag
Address: Pir-senteret, 7010 TRONDHEIM, Norway

has been found to comply with the requirements of
MSC Fisheries Standard v2.0

The certified fishery has the right to claim the fishery is a "Well Managed and Sustainable Fishery", in accordance with the MSC's Principles and Criteria for Sustainable Fishing. Further claims made about the fishery shall be in accordance with rules established by MSC.

This certificate is valid for the following scope: NFA Norway ling & tusk and NFA Norway lumpfish fisheries conducted by Norwegian vessels as specified in the Units of certification Appendix to this certificate.

Products as specified in the appendix to this certificate, landed by Norwegian vessels having a licence from the Norwegian authorities and originating from Norway ling & tusk and NFA Norway lumpfish fishery conducted as specified in the appendix to this certificate are eligible to enter Chain of Custody and carry MSC logo.

MSC Chain of Custody certification will commence from the point of landing and sale. Landing sites are mainly in Norway, Denmark, Scotland and Shetland as specified in the Public Certification Report. Land-based processing sites must have separate Chain of Custody certification.

For detailed scope refer to the Public Certification Report available for download at MSC website: <http://www.msc.org/track-a-fishery/certified>.
